Sir:

There was an error made by the OIPE in sending out a Notice of Incomplete Nonprovisional Application with the filing date not having been accorded. The error was that there was a copy received of the application with the originally filed papers (AT WHICH TIME A DECLARATION AND ASSIGNMENT WERE ALSO FILED). That copy was the German language certified copy. Another copy of the originally filed German application text was received by the Patent and Trademark Office on August 27, 2001. It is expected that the erroneous Notice will be withdrawn.

Enclosed herewith are the following:

- (1) Check in the amount of \$970;
- (2) Translation with translator's certificate; AND
- (3) Preliminary amendment.

\* Please note the new address of the undersigned attorney

Respectfully submitted
